

Granview Homes

5885 MERRILL LN. NW, SALEM

\$2 MILLION • 5,884 SQUARE FEET • 5 BEDROOMS • 5½ BATHROOMS

Granview Homes, Inc. is a family-based company that strives to build homes of enduring quality and superior workmanship. Since 2003, we have built both spec and custom residential homes in the Northwest. Our standard is to provide our clients with service that tailors to their needs. In doing so, we give meticulous attention to detail in all the homes we build. It is our continual endeavor to construct exceptional homes with a balance of style and functionality.
