

Anderson Homes, Inc.

1917 MADALYN CT. NE, KEIZER

\$299,900 • 2,046 SQUARE FEET • 3 BEDROOMS • 2½ BATHROOMS

Anderson Homes' 2008 Tour home entry showcases our ability to build an elegant but highly affordable home. Expect amenities such as tile counters, natural alder cabinets, an abundance of hardwood flooring, stainless-steel appliances and the "finest in fit-and-finish." This year's Tour home is wheelchair friendly with wider hallways, a no-step entry and many other features. Couple all this elegance with full landscaping, total fencing and underground sprinklers with a timer mounted in the garage. The homes on Madalyn Ct. complement one another but still offer different floor plans and amenities. This is a perfect location to live in. Madalyn Ct. is a few short minutes to the new Keizer Station shopping and the Interstate 5 freeway.
