

TMC Homes

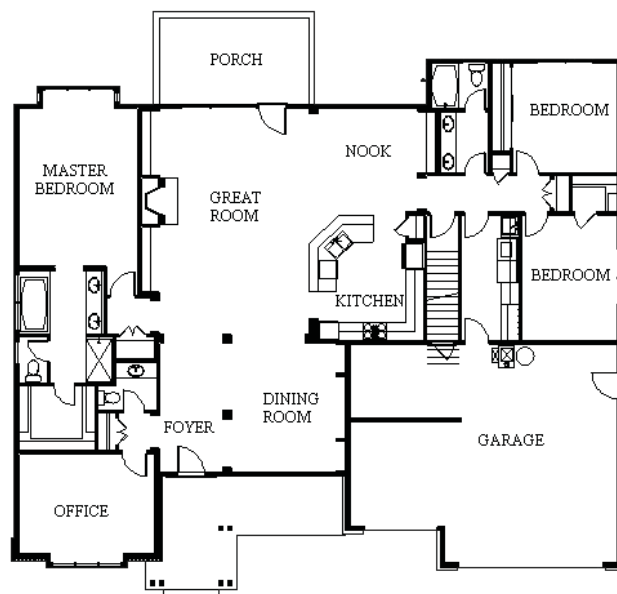

1004 BRODY CT., STAYTON

\$424,900 • 2,987 SQUARE FEET • 3 BEDROOMS • 2½ BATHROOMS

TMC Homes presents classic, craftsman design elements blended seamlessly with endless contemporary amenities. The gourmet kitchen features hardwood floors and an abundant use of granite slab countertops and beautiful birch cabinetry. Pendant lighting highlights the large island with a serving bar. Views from the kitchen include a spectacular, vaulted great room with an exquisitely detailed custom fireplace mantel. The master suite offers ample room to create a comfortable retreat shared by the master bath and outfitted with a spacious walk-in closet; contemporary lighting; brushed nickel fixtures, including a double sink vanity; 6' soaker tub; and a tile shower; counters and floor complete this handsome ensemble.
