## Darrell Beam Construction Inc.

4798 TATE AVE N, SALEM | 1,945 SQ FT | 3 BR, 2 BA | \$ 339,900

Darrell Beam Construction has offered quality homes to the consumers of Salem, Oregon and its surrounding area for over 25 years.

We recognize how important the relationship is between builder and home-buyer, and pride ourselves on the high level of service we provide our customers.

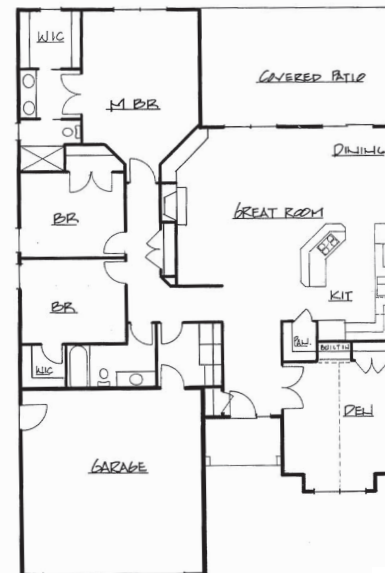

We stand behind our homes, as our company has been built on referral business. We have two subdivisions in Keizer, and lots in South Salem, and West Salem, for you to choose from or we can build on your property.

When you build a new home with Darrell Beam Construction you can expect quality workmanship, attention to detail and exceptional service. Not only do we work in Salem, but we call it home.

Therefore, we strive to improve the community by offering our neighbors quality homes at affordable prices.
