2487 IAN AVENUE NW, SALEM | 2,506 SQ FT | 4 BR, 2.5 BA | \$ 295,900

**Pacific Lifestyle Homes is pleased to present the Madras in the 2009 HBA Tour of Homes.** Located in Chandlers Estates, Salem's only single family home community with a clubhouse and outdoor pool, the Madras has the size, style and price that make it a perfect fit for your family.

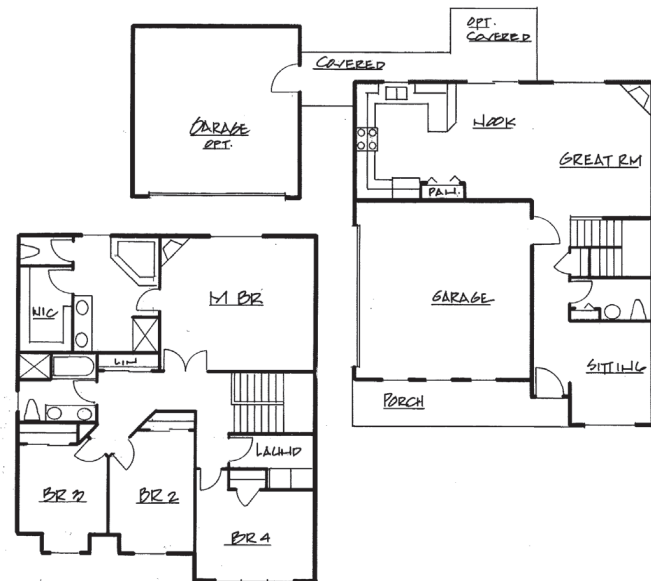

**The Madras has four bedrooms including a master suite** with a jetted tub and spacious walk-in closet. Richly stained maple cabinets beautifully contrast the oversized tile counter tops in the kitchen and master bath.

**A tile faced gas fireplace surrounded by a shaker style mantle** warms the open great room. Upstairs, a laundry room reduces all those trips up and down the stairs.

**The Madras has tremendous curb appeal with its craftsman façade** and side entry garage. Have a boat, travel trailer, hot rod, or a passion for woodworking? The Madras has an additional detached two-car garage to house any number of toys.
