

Comfort Homes, LLC

2333 MILANO AVENUE S, SALEM | 2,867 SQ FT | 4 BR, 2.5 BA | \$ 424,900

Since 1995, Comfort Homes LLC has been a leader in the custom home industry. We take pride in staying current with the latest architectural design & trends, building products, & construction methods. Our reputation for building finely crafted homes has been earned through commitment to innovate design, quality workmanship & superior customer service. Today's buyers are well informed & discerning. We offer uncompromising attention to detail & the commitment to customer satisfaction. We include many beautiful features throughout every home that others call "upgrades". We value our relationship with each of our clients & strive to make their building process with Comfort Homes LLC a rewarding experience.

This year tour is in Bella Cresta a new premier distinctive subdivision for upper end homes in Salem area. Please visit with us at the tour to discuss your next building experience at Bella Cresta with Comfort Homes LLC.
