Welcome to the R² 2009 Tour Home. Come and visit this unique custom home showcasing our creativity and attention to detail. Whether it's standing on the 30' tall deck looking into the forest while the creek babbles below, or discovering new areas of this home that can offer relaxation and recreation, we hope you enjoy the quality of this home. R² is a custom builder catering to your specific needs from the design to the finishing touches of your home. R² was formed in 2002 with the vision of building quality homes using the finest materials. We develop long-lasting relationships with team members who treat each R² home as if it were their own. We look forward to developing a relationship with you. Regardless of where R² builds your home, you can be assured it will be done with "Integrity, Pride and Craftsmanship".
