Come experience urban living at **Broadway Town Square** in the revitalized North Downtown neighborhood. The project consists of retail and office space, luxury apartments, the new home of the Salem Cinema, and Broadway Estates - 16 individually-owned row houses. We are excited to bring a new living-concept to Salem with the ability to simplify and live near the heart of the city. These rowhouses have been designed to suit individual lifestyles and personal tastes. For this tour, we are featuring one of our three different floor plans. This option creates a traditional living environment with the entertaining areas of the home on the first floor. The interior features our modern-style "Lombardia" interior finish package.
